Somerville, New Jersey 3rd resident tests positive for COVID-19

Somerville, New Jersey- Somerville Borough is notifying residents of its 3rd positive case of COVID-19 (Coronavirus) in the Borough of Somerville.

Somerville Borough was notified by the County of Somerset this morning that a 54 year old resident tested positive for the COVID-19 virus, it is the 3rd case in Somerville Borough. County Health Officials are conducting an interview to determine if there are known exposures. It is urged that everyone continues social distancing, wash hands and surfaces frequently.

The County of Somerset will be updating their page daily providing the number of exposures in Somerville Borough and throughout the County of Somerset.
