Dear Somerville High School Graduating Class of 2020,

Congratulations on completing the long journey that began thirteen years ago when you entered kindergarten with new sneakers, a new lunchbox, and maybe even a few tears on your parents' faces! Today you leave the safety and comfort of family, friends and familiar routines to face the challenges of a world much different than any ever experienced by young people your age.

You have worked hard to develop the skills and attitudes needed for success in the years ahead. I wish you well in your future endeavors. Your families, teachers and community have given you a solid foundation. Now go and build a better world upon it.

The Honorable Dennis Sullivan
