

Where are We Headed?

- April 2009 = New HDSRF grant application
 - Comprehensive RI investigations of groundwater (shallow, bedrock) for CAHs; landfill thickness & depth assessment; surface water/wetlands impacts; RI report and remedial action workplan
 - Site & remedial investigations of other redevelopment area properties (PAs completed by RV)
- Key goals
 - Complete RI & transition into remedial action phase
 - Better quantify environmental liabilities
- Timeline = **July 2009 through June 2010**
 - Assumes NJDEP authorization by 15 June 2009
