ADVANCED CONSTRUCTION NOTICE

May 11, 2022

RESURFACING OF DEMOND PLACE MONDAY, MAY 16 THROUGH TUESDAY, MAY 17 WEATHER PERMITTING

Please be advised that New Jersey American Water has scheduled pavement resurfacing for **DEMOND PLACE** for Monday, May 16 through Tuesday, May 17. These dates are weather dependent. Work will take place between the hours of 7:00 AM and 5:00 PM. During these dates and times, the roads listed will be **CLOSED** to through traffic, and street parking will be prohibited. Access to residents may be limited when paving operations are in front of or adjacent to individual driveways.

Please use caution and drive slowly when driving in and out of the community during construction and obey all traffic markers. Traffic cones will delineate inaccessible areas during construction.

Additionally, please survey your surroundings for hazards that are part of any construction project. Loose material, uneven pavement, redirected traffic patterns, etc. are to be expected. Please use extra caution during this time, especially when walking to/from your home and vehicles, and please ask for assistance if needed.

**** PLEASE DO NOT** drive your vehicle or walk on any roadway with tack oil on it. We are not responsible for any oil splashed on vehicles or tracked into houses / cars while driving or walking in construction areas.

Thank you for your cooperation, your patience is greatly appreciated during this inconvenience.
